Dear Parent or Guardian,

YWCA would like to extend a warm welcome to families participating in our Child Enrichment Program. YWCA is affiliated with YWCA USA, one of the oldest and largest women's organization in the world. More important than the numbers, is our mission to eliminate racism empower women and promote peace, justice, freedom, and dignity for all.

As parents, you are an essential part of our Child Enrichment program as we strive to provide children with activities and experiences that promote optimal growth and positive development. This is achieved through the following:

STEAM & mission based enrichment activities
Age appropriate activities
Nurturing secure environment

High quality and engaged staff
Daily homework help
Community awareness

Please review the special addendum relating to the COVID 19 procedures at the end of this handbook. We insist on 100% compliance with our COVID related directives. In addition, we are working closely with school districts to deliver high quality child enrichment services this year and are working diligently to serve you, should local school districts return to 100% remote learning environments.

We were forced to raise prices this year due to increases in staffing, utilities and COVID related directives. The handbook and the enrollment package reflect School Year 21-22 pricing.

We will do our best to communicate with you through emails, phone calls, newsletters, forms, reports, memos and [Facebook](#) page.

If you are interested in learning more about YWCA, check us out at www.altonywca.com or on [Facebook](#).

Please feel free to contact me to discuss questions you may have about your children or the program's policies and procedures.

We are truly looking forward to the upcoming school year and serving your family in the YWCA Child Enrichment Program.

Sincerely,

Kathy Holder
Child Enrichment Director

Packages can be emailed to you upon request by calling the YWCA at 618.465.7774. Registration fees must be paid at time of application. Incomplete applications will not be accepted. Children will not be allowed to begin the program until we have received all required documents and approved the completed application. All registration is on a first come, first serve basis.

To enroll a child into the Child Enrichment Program, parents/guardians are required to complete and return all forms, pay the non-refundable registration fee, and submit copies of birth certificate(s) and most current physical(s) to the Child Enrichment Director.

YWCA CE Staff will provide assistance with CHASI paperwork, including instructions if needed.

All families utilizing CHASI or DCFS Community Collaborations are responsible for 100% of YWCA fees, tuition, holiday camps . . . until CHASI or DCFS Community Collaborations approval is received.

A child may be enrolled part-time or full time and can start the program once confirmation is given from the Child Enrichment Director that all required forms and fees have been received. Once in the program, regular attendance is required. If the child will not be attending the program for the day, please notify the Site Coordinator or YWCA as soon as possible.

The YWCA would like to remind parents that it is very important to maintain emergency contact numbers. For this reason, we encourage you to check your child’s records periodically and make sure all contacts are current and updated at least once a year.

The YWCA Child Enrichment Program will telecommunicate using the Illinois Relay Center for the hearing impaired. Please call VOICE at 1-800-526-0857 or TTY at 1-800-526-0844 to arrange for these services.

Parents and guardians will not be required to pay for the one week. Please fill out a vacation request and turn in to the Child Enrichment Director two weeks in advance of the vacation.
- A reduction in fees due to absence because of extended illness or extenuating family circumstances may be considered at the discretion of the Executive Director.

A \$25 fee will be charged for all refused EFT or debit card payments (NSF). Three NSF returns will result in your child being dropped from the program.

Invoicing

Invoices are created weekly for the previous week and will be sent to responsible parties by email. Payment is required within 7 days. ACH or credit card payments are accepted.

Payments

Registration fees are due at enrollment. The YWCA only accepts electronic funds transfer (EFT), or weekly scheduled credit card drafts. Accounts are charged on Fridays. However, depending on differing banks and or bank holidays, your account may be charged on the following Monday or Tuesday periodically. Your account must be current for your child to continue attending the program. Questions regarding payments should be directed to the YWCA Bookkeeper Barb Paisley at 618.465.7774 or via email at finance@metroeastywca.org. Payments may not be made at CE Sites.

Delinquent Accounts

Staff will make every effort to collect receivables on a timely basis. Staff will notify all responsible parties of delinquent balance. Delinquent accounts are defined as 14 calendar days late or more.

YWCA of Alton will report all delinquent accounts over 90 days delinquent or if child no longer attends and seek payment through a collection agency.

YWCA will give Child Enrichment families with delinquent balances the option of executing a payment plan.

YWCA will suspend participation in the Child Enrichment program when a family has a delinquent account balance for fourteen calendar days (balance amount is greater than \$100) and the family has not entered into Payment Agreement.

YWCA will contact responsible parties immediately in cases of refused EFT or debit card payments. Responsible parties will be given an opportunity to provide us with an alternate payment method. Should responsible parties not provide us with an alternate means of payment after contact was made, YWCA will charge responsible parties a fee of \$25 for all refused EFT or debit card payments (NSF).

Child Enrichment Director will immediately notify responsible parties regarding termination by telephone and in writing. The Director is to give responsible parties 3 business days' notice of termination (4th day the child is removed).

Holiday or Inclement Weather Credits

Credits will be issued to parents of children attending full-time for Thanksgiving and Christmas weeks. For parents with children attending part-time during Thanksgiving and Christmas weeks, credits may be given depending on the child's attendance patterns. No credits will be issued for other holidays throughout the year identified on page 6.

Inclement weather day credits may also be issued depending on the frequency within a week. Full time parents will receive credits for 2 inclement weather days during one week. Parents with children attending part time may receive a credit for inclement weather days during one week depending on a child's attendance pattern.

Attendance

Regular attendance is required. If your child will not attend programming for the day, please notify the YWCA as soon as possible. If a child will not be attending the program due to vacation, parents must notify the YWCA.

No "drop in" option is allowed. Preference will be given to part time clients with set days.

Arrival and Departure

Due to the COVID Pandemic, Staff will assist Parents in signing each child in or out on site each day the child attends. (Should the COVID pandemic subside, parents will be required to sign their child in and out at each site. Failure to sign in will result in dismissal from the program.) Only a custodial parent or an adult aged 18 or older designated by the custodial parent may pick up the child. A child shall only be released to custodial parents or other authorized persons listed on the enrollment form at the time of registration. The child will not be allowed to be released to anyone not listed as an authorized person. Anyone picking up a child will be asked to provide identification.

Late Departure

If you know that you will be later than 6:00 p.m., please call and notify the Site Coordinator (number to be obtained from the staff) or the YWCA at 618-465-7774 before 6 pm. This will help relieve any concerns your child and our staff may have as to why you are running late.

If your child is picked up after 6:00 p.m., a late fee charge will be assessed at the rate of \$1.00 per minute per child for every minute after 6:00 p.m.

When a child is left at the program after 6:00 p.m., these steps will be followed:

6:05 p.m. – we will attempt to contact a parent or legal guardian

6:10 p.m. – we will begin contacting people on the emergency contact list if a parent has not been reached

6:40 p.m. – we will contact the local police department to report a possible child abandonment issue if parent or emergency contacts have not been reached.

The YWCA Child Enrichment Staff would like to assure all parents that no child will ever be left alone. The staff will remain with the child until pick up occurs. We will never hold the child responsible and discussion of this issue will only be with the parent or guardian, not the child.

Medication Administration

Site Coordinators will dispense prescription and over the counter medications and maintain a log. A medical authorization form, signed by a parent or guardian, must accompany the medication. Medication must be in the original container with the full label intact.

Medical Incidents and Accidents

Parents must complete a medical care authorization form (*Consents to Day Care Providers – CFS 593*) at the time of enrollment, allowing or denying staff to seek emergency medical assistance for their child.

Staff will call 911, then a parent (or emergency contact if parent or guardian cannot be reached) if the medical incident or accident is deemed an emergency. If transportation to a hospital or

medical facility is necessary, a staff member will accompany the child and remain until a parent or guardian arrives.

If a child becomes ill, staff will call a parent or guardian to make arrangements to pick up the child from the program. Children must be picked up within one hour from the time the call is received.

Children should not attend the program if they display any of the following symptoms:

Guidance and Discipline Policy

The YWCA Child Enrichment Program strives to provide our families with a safe, fun, and quality child care experience. To achieve this, we work together as a team to promote positive behavior in every area of our program. It is an important aspect of a child's development to practice self-control and learn positive problem-solving skills. We believe it is our responsibility to create a safe and consistent environment that will allow children to gain self-confidence, self-control, and an understanding of their feelings. This is the perfect age for children to learn that their behavior is their choice!

We use the following as behavior guidelines:

- Be responsible & accountable for your own behavior
- Respect yourself
- Respect others – keep your hands and feet to yourself, use kind words and G-rated language.

- **Respect Property – Do your part to keep our spaces clean and tidy!**

The YWCA Child Enrichment Program has zero tolerance for the following:

- **Physical Aggression/ Fighting/ or Physical harm to self or others**
- **Disobedience & Disrespect**
- **Sexual or verbal harassment**
- **Bullying in any form**
- **Threats to staff or other students**
- **Inappropriate language / profanity/ obscene gestures**
- **Non- compliance**

All children are expected to follow program rules.

- **Children must remain in the program area. Children must notify a staff member if they need to leave the program area for any reason.**
- **No running inside the building.**
- **No standing or jumping on furniture.**
- **Replace all materials and toys when done using them and before getting out something else.**
- **Respect others and their property.**
- **Listen when spoken to; obey staff directions.**
- **Report any incidents with other children to staff.**
- **Toys, games, or other items must remain home – unless otherwise noted**
- **Outside food with permission only**

The Child Enrichment staff will:

- **Interact with children in a safe and respectful manner. We believe it is important for us to model the behavior we expect the children to learn and show themselves.**
- **Use strategies that promote positive self-esteem, and self- respect.**
- **Use positive ongoing communication and consistent guidance practices.**
- **Work with children and families to resolve problems and issues as they occur.**

For all day camps, if a student is exhibiting extreme unsafe behavior (behavior that can cause harm to the child, other children present or staff) the Site Coordinator may remove student from the program for the day with the approval of the Child Enrichment Director. Parents will be notified as soon as possible and given time to arrange pick up.

The YWCA Child Enrichment Program reserves the right to remove a child from the program for excessive unsafe or inappropriate behavior.

Disciplinary Action Process

<p>Mild misbehavior</p>	<p>Verbal Warning – Redirection When unwanted behavior occurs, staff will first try to redirect child. If the redirection is not successful, staff will verbally inform the child of their misbehavior and remind child of appropriate behavior. This is best done by pulling the child to the side and speaking to them one on one.</p>
<p>Behavior Warning 1st 2nd 3rd</p>	<p>Redirection – Time Spent away from Group- Written Behavior Warning Staff will verbally remind child of first warning and why they must now be separated from the group or receive a Behavior Warning slip. Staff will notify parents upon arrival, discuss the behavior, and have them sign warning slip if applicable. After three Behavior Warnings, staff will issue a Behavior Incident Report to parents and have parents sign form.</p>
<p>Behavior Incident Report</p>	<p>Time spent away from group- Loss of Privilege- Behavior Incident Report Student is removed from the group. Behavior incident report is written by staff. Parents are notified upon arrival; behavior is discussed. Parents sign the Behavior Incident Report. There will be a conference with the CE Director and Parents. Child may face suspension for 1 to 5 days.</p>
	<p>Please understand that some actions warrant immediate suspension, such as excessive unsafe or inappropriate behavior.</p>

COVID 19 Pandemic Addendum

YWCA Child Enrichment Center take seriously the responsibility of providing care for your children during a global pandemic. This letter is to communicate to you the changes that we ask of you, and that we will be making to minimize risk.

COVID-19 is a serious illness that can potentially result in hospitalization and even death. The elderly, and people who are immunocompromised are particularly at risk. This letter references 'COVID-19 symptoms' multiple times. We define this as follows:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

In order to continue to offer this service to families we ask that parents and staff work together in implementing the following procedures:

For Parents:

- Parents are required to keep children home if they exhibit symptoms of COVID-19. We strongly urge parents to consult with their medical care provider.
- Children who have exhibited symptoms of COVID-19 **and have not been tested** may return to camp when the following requirements have been met:
 - Child has not had a fever for at least 72 hours, without the use of medicine that reduces fevers
 - Other symptoms have improved
 - At least 10 days have passed since the child's symptoms first appeared.
- Children who have exhibited symptoms of COVID-19 **and have been tested** may return to camp when the following requirements have been met:
 - Child no longer has a fever, without the use of medicine that reduces fevers
 - Other symptoms have improved
 - At least 10 days have passed since the child's symptoms first appeared.
- Parents are required to wear a mask, as well as their child as they enter the building and room(s) at the Wood River-Hartford location(s). Wood River parents shall ring the buzzer to access entry to school and teacher will meet you at classroom door.
- Parents will not be able to enter the building or the room at the following sites: YWCA, Ivy Heights Church in Wood River, and North Elementary School in Godfrey. In the event of inclement weather, parents are advised to utilize raincoats and umbrellas to keep you dry while you wait for your child.

- YWCA parents are directed to ring the bell at main Lobby entrance.
- Ivy Heights Church parents are directed to ring the bell at Church front door.
- Parents are required to wait until their child has been given clearance to enter the classroom (based on the result of the temperature check administered by staff) and until their child has been signed in by staff.
- After school pick up, parents are again required to wear a mask as they go to assigned doors (entrances).
- Staff will get the student(s) prepared to leave, ensuring that they have all their belongings, and meet parents at the door for pick up of child/children.
- Child will be signed out by staff.
- Parents are required to ensure that they, or another responsible adult, will be available throughout the day for prompt pick up of their child/children should they develop COVID-19 symptoms.
- Wherever possible, parents are encouraged to limit their presence to one adult per family, and to avoid bringing minor siblings to drop off and pick up interactions.
- Parents are required to send their child/children with their own face mask, labeled with their name. Parents should plan to wash reusable facemasks daily after use.
- Parents are asked to encourage their child/children to remember to keep their hands to themselves.

What we are requiring of staff, to minimize the spread of COVID-19:

- General Procedures
 - Signs will be posted outside of the entrance(s) restricting entry to anyone with symptoms of illness/respiratory infection.
 - All staff will take their temperature before entering the facility. Staff with temperatures above 100, or who exhibit any other COVID-19 symptoms before entering the building, will immediately communicate with the CE Director and request a substitute. Staff temperatures will be noted daily in the Employee Temperature Log.
 - Any staff person who develops COVID-19 symptoms during the course of their workday will be removed from the site immediately and a substitute will take over for the remainder of the day.
 - YWCA staff will take the temperature of each child before admitting them to the Child Enrichment facility. No child will be admitted who has a fever or exhibits COVID-19 symptoms.
 - To avoid cross contamination from multiple users of pens and paperwork, staff will sign in and sign out all children. **This differs from our usual policy of requiring that parents sign in/sign out their own child.**
 - YWCA will isolate any child who exhibits COVID-19 symptoms immediately and contact the parent immediately for pick-up.

- YWCA staff will maintain records of monitoring signs/symptoms of COVID-19 throughout the day.
 - YWCA will communicate immediately with parents in the event that COVID-19 symptoms occur in a staff person or child at the site.
 - YWCA will also coordinate with Madison County Health Department regarding any COVID-19 symptoms/cases in our center and stay informed of local developments.
 - In the event that a member of staff or child tests positive with COVID-19, YWCA will communicate with families regarding any related needs for closure or self-isolation.
