Parents and guardians will not be required to pay for the one week. Please fill out a vacation request and turn in to the Child Enrichment Director two weeks in advance of the vacation.
- A reduction in fees due to absence because of extended illness or extenuating family circumstances may be considered at the discretion of the Executive Director.
- Weekly fees are set during registration. If your child is enrolled for full time and does not meet the full-time attendance days (4-5 days) that week, parent/guardian will still be billed the full time amount.
- Changes in child’s registration status must be given in writing with the approval of the Child Enrichment Director.

A \$25 fee will be charged for all refused EFT or debit card payments (NSF). Three NSF returns will result in your child being dropped from the program.

## Invoicing

Invoices are created weekly for the previous week and will be sent to responsible parties by email. Payment is required within 7 days. ACH or credit card payments are accepted.

## Payments

Registration fees are due at enrollment. The YWCA only accepts electronic funds transfer (EFT), or weekly scheduled credit card drafts. Accounts are charged on Fridays. However, depending on differing banks and or bank holidays, your account may be charged on the following Monday or Tuesday periodically. Your account must be current for your child to continue attending the program. Questions regarding payments should be directed to the YWCA Bookkeeper Barb Paisley at 618.465.7774 or via email at [finance@ywcaswil.org](mailto:finance@ywcaswil.org). Payments may not be made at CE Sites.

## **Delinquent Accounts**

Staff will make every effort to collect receivables on a timely basis. Staff will notify all responsible parties of delinquent balance. Delinquent accounts are defined as 14 calendar days late or more.

YWCA will report all delinquent accounts over 90 days delinquent or if child no longer attends and seek payment through a collection agency.

YWCA will give Child Enrichment families with delinquent balances the option of executing a payment plan.

YWCA will suspend participation in the Child Enrichment program when a family has a delinquent account balance for fourteen calendar days (balance amount is greater than \$100) and the family has not entered into Payment Agreement.

YWCA will contact responsible parties immediately in cases of refused EFT or debit card payments. Responsible parties will be given an opportunity to provide us with an alternate payment method. Should responsible parties not provide us with an alternate means of payment after contact was made, YWCA will charge responsible parties a fee of \$25 for all refused EFT or debit card payments (NSF).

Child Enrichment Director will immediately notify responsible parties regarding termination by telephone and in writing. The Director is to give responsible parties 3 business days' notice of termination (4<sup>th</sup> day the child is removed).

## **Holiday or Inclement Weather Credits**

Credits will be issued to parents of children attending full-time for Thanksgiving and Christmas weeks. For parents with children attending part-time during Thanksgiving and Christmas weeks, credits may be given depending on the child's attendance patterns. No credits will be issued for other holidays throughout the year identified on page 6.

Inclement weather day credits may also be issued depending on the frequency within a week. Full time parents will receive credits for 2 inclement weather days during one week. Parents with children attending part time may receive a credit for inclement weather days during one week depending on a child's attendance pattern.

## **Attendance**

Regular attendance is required. If your child will not attend programming for the day, please notify YWCA as soon as possible. If a child will not be attending the program due to vacation, parents must notify YWCA.

No "drop in" option is allowed. Preference will be given to part time clients with set days.

## **Arrival and Departure**

Parents need to sign in each child in or out on site each day the child attends. Only a custodial parent or an adult aged 18 or older designated by the custodial parent may pick up the child. A child shall only be released to custodial parents or other authorized persons listed on the enrollment form at the time of registration. The child will not be allowed to be released to anyone not listed as an authorized person. Anyone picking up a child will be asked to provide identification.

## **Late Departure**

If you know that you will be later than 6:00 p.m., please call and notify the Site Coordinator (number to be obtained from the staff) or the YWCA at 618-465-7774 before 6 pm. This will help relieve any concerns your child and our staff may have as to why you are running late.

If your child is picked up after 6:00 p.m., a late fee charge will be assessed at the rate of \$1.00 per minute per child for every minute after 6:00 p.m.

When a child is left at the program after 6:00 p.m., these steps will be followed:

6:05 p.m. – we will attempt to contact a parent or legal guardian

6:10 p.m. – we will begin contacting people on the emergency contact list if a parent has not been reached

6:40 p.m. – we will contact the local police department to report a possible child abandonment issue if parent or emergency contacts have not been reached.

YWCA Child Enrichment Staff would like to assure all parents that no child will ever be left alone.

The staff will remain with the child until pick up occurs. We will never hold the child responsible, and discussion of this issue will only be with the parent or guardian, not the child.

## **Medication Administration**

Site Coordinators will dispense prescription and over the counter medications and maintain a log. A medical authorization form, signed by a parent or guardian, must accompany the medication. Medication must be in the original container with the full label intact.

## **Medical Incidents and Accidents**

Parents must complete a medical care authorization form (*Consents to Day Care Providers – CFS 593*) at the time of enrollment, allowing or denying staff to seek emergency medical assistance for their child.

Staff will call 911, then a parent (or emergency contact if parent or guardian cannot be reached) if the medical incident or accident is deemed an emergency. If transportation to a hospital or

medical facility is necessary, a staff member will accompany the child and remain until a parent or guardian arrives.

If a child becomes ill, staff will call a parent or guardian to make arrangements to pick up the child from the program. Children must be picked up within one hour from the time the call is received.

Children should not attend the program if they display any of the following symptoms:

- Temperature of 100 degrees or more. Children may not return to the program until they are fever free for 24 hours.
- Conjunctivitis (pink eye). Children may return to the program 24 hours after treatment has begun.

Parents will be notified if their child has been exposed to a communicable disease. Parents are asked to notify YWCA staff if their child contracts *or is exposed to a communicable disease. Any known or suspected case or carrier of communicable disease* will be reported to local health authorities and shall comply with the Illinois Department of Public Health rules and regulations for the Control of Communicable Diseases.

## **Guidance and Discipline Policy**

YWCA Child Enrichment Program strives to provide our families with a safe, fun, and quality child care experience. To achieve this, we work together as a team to promote positive behavior in every area of our program. It is an important aspect of a child's development to practice self-control and learn positive problem-solving skills. We believe it is our responsibility to create a safe and consistent environment that will allow children to gain self-confidence, self-control, and an understanding of their feelings. This is the perfect age for children to learn that their behavior is their choice!

We use the following as behavior guidelines:

- Be responsible & accountable for your own behavior
  - Respect yourself
-

- **Respect others – keep your hands and feet to yourself, use kind words and G-rated language.**
- **Respect Property – Do your part to keep our spaces clean and tidy!**

**YWCA Child Enrichment Program has zero tolerance for the following:**

- **Physical Aggression/ Fighting/ or Physical harm to self or others**
- **Disobedience & Disrespect**
- **Sexual or verbal harassment**
- **Bullying in any form**
- **Threats to staff or other students**
- **Inappropriate language / profanity/ obscene gestures**
- **Non- compliance**

**All children are expected to follow program rules.**

- **Children must remain in the program area. Children must notify a staff member if they need to leave the program area for any reason.**
- **No running inside the building.**
- **No standing or jumping on furniture.**
- **Replace all materials and toys when done using them and before getting out something else.**
- **Respect others and their property.**
- **Listen when spoken to; obey staff directions.**
- **Report any incidents with other children to staff.**
- **Toys, games, or other items must remain home – unless otherwise noted**
- **Outside food with permission only**

**Child Enrichment staff will:**

- **Interact with children in a safe and respectful manner. We believe it is important for us to model the behavior we expect the children to learn and show themselves.**
- **Use strategies that promote positive self-esteem, and self- respect.**
- **Use positive ongoing communication and consistent guidance practices.**
- **Work with children and families to resolve problems and issues as they occur.**

**For all day camps, if a student is exhibiting extreme unsafe behavior (behavior that can cause harm to the child, other children present or staff) the Site Coordinator may remove student from the program for the day with the approval of the Child Enrichment Director. Parents will be notified as soon as possible and given time to arrange pick up.**

**YWCA Child Enrichment Program reserves the right to remove a child from the program for excessive unsafe or inappropriate behavior.**

**Disciplinary Action Process**

<b>Mild misbehavior</b>	<b>Verbal Warning – Redirection</b> When unwanted behavior occurs, staff will first try to redirect child. If the redirection is not successful, staff will verbally inform the child of their misbehavior and remind child of appropriate behavior. This is best done by pulling the child to the side and speaking to them one on one.
<b>Behavior Warning</b>	<b>Redirection – Time Spent away from Group- Written Behavior Warning</b> Staff will verbally remind child of first warning and why they must now be separated from the group or receive a Behavior Warning slip. Staff will notify parents upon arrival, discuss the behavior, and have them sign warning slip if applicable
<b>Behavior Incident Report</b>	<b>Time spent away from group- Loss of Privilege- Behavior Incident Report</b> Student is removed from the group. Behavior incident report is written by staff. Parents are notified upon arrival; behavior is discussed. Parents sign the Behavior Incident Report. Depending on behavior, suspension may be determined for a period of 1-5 days. Meeting between staff, parent, student and Child Enrichment Director may be requested in order to discuss behaviors and how we can help the student succeed.
	<b>Please understand that some actions warrant immediate suspension, such as excessive unsafe or inappropriate behavior.</b>
