## Weekly Camp Themes

### 1 Famous Artists

Students will learn about different artists each day and create art projects inspired by those artists.

### 2 A Week in Paris

Students will take a trip to Paris to learn about French cuisine, culture and customs.

### 3 Detective Week

Students will work together to solve the case of the missing Diamond.

### 4 Minute to Win It

Students will go through a series of challenges throughout the week where timing is everything.

### 5 Lewis and Clark Exhibition

Students will learn the History of the Lewis and Clark Exhibition and its local connection.

### 6 Shark Tank/Invention

Students will be presented with hands on activities to encourage their creative minds. Students will work on creating an innovative game or activity with the environment around them.

### 7 Greek Mythology

Students will learn about Greek Gods, Myths, Legends, the Greek Alphabet, and its portrayal in American Culture.

### 8 Ecosystem Week

Students will learn about landscapes, native birds, plants and other animals that inhabit our local landscapes.

### 9 Dinosaur Week

Students will learn about the land before our time, and conduct their own archeology dig.

### 10 Career Week

Students will be visited by several community members to teach students about their careers.
