Program Rates: Part time: \$95 per week. Full time \$145 per week.

Weekly rate is set upon enrollment. We have 2 attendance options – part time (1-3 days) and full time (4-5 days). Your weekly charge is billed on Fridays as normal, regardless of attendance. If you are only needing care for 1 day out of the week, the rate is still established as the part time rate. We encourage families to send their children to their full weekly maximum for the maximum benefit of the program. If your child attends 4 days and is enrolled as part time, you would then be billed the full time rate (extra days need to be approved by CE director).

We do accept CHASI and DCFS collaborations. We can assist guardians through the CHASI application process. 100% Parent Pay is required until CHASI/DCFS approval.

We utilize an automatic billing system. We pre-schedule your payments to be pulled automatically from a debit/credit card, or bank account. We require a payment authorization form for enrollment. Guardians must provide a payment method in order to complete enrollment process. Account balance must not be delinquent past 2 weeks in order to stay eligible for attendance.

Each child is given 1 week vacation per calendar year (part time = 3 days) where we do not bill the enrolled weekly rate. Vacation requests must be submitted in writing to the CE Director in advance of your scheduled vacation. 2-3 week advanced notice is appreciated.
